Dear Bel Air Beverly Crest Neighborhood Council
President Longcore:

I am writing in strong opposition to Bel Air Glen's proposed vacation and gating project. I am a resident of Bel Air Ridge (BAR).

Bel Air Glen's proposed gating project will unfairly burden, and will cause harm, to the BAR community and its residents by increasing traffic, making access to our facilities and common areas more difficult, and making it harder and more time consuming to get in and out of our community. It also will damage the ambiance and integration of BAR as a community.

The traffic jam created by the proposed gating will not only result in increased air pollution as cars wait, but it will also result in the BAR community solely bearing the burden of increased traffic due to the proposed gating project. Fairness dictates that no one community should bear the burden imposed by another community.

For these reasons, I urge the Bel Air Beverly CREST Council to vote against Bel Air Glen's proposal.

Thank you for your consideration.

Sincerely,

Kenneth Williams
