Dear Bel Air Beverly Crest Neighborhood  
Council President Longcore:

I am writing in strong opposition to Bel Air  
Glen's proposed vacation and gating project.  
I reside full time in Bel Air Ridge (BAR).

Bel Air Glen's proposed gating project will  
unfairly burden, and will cause harm, to the  
BAR community and its residents by  
increasing traffic to an untenable extent,  
making access to our facilities and common  
areas more difficult, and making it extremely  
hard to get in and out of our community -  
and would be especially challenging to get  
our children to their activities and have  
needed workers come to our homes. This  
gating would damage the functionality of  
living here and affect the ambiance and  
integration of BAR as a community.

The traffic jam created by the proposed  
gating will not only result in increased air  
pollution as cars wait, but it will also result in  
the BAR community solely bearing the  
burden of increased traffic due to the  
proposed gating project. It would be unfair  
to burden our community with all the traffic  
so that the other community could gate and  
avoid traffic.

For these reasons, I urge the Bel Air Beverly  
CREST Council to vote against Bel Air Glen's

proposal.

Thank you for your anticipated consideration  
and cooperation in protecting our  
community's sanctity.

Susan Weissman Williams
