To all concerned -

I will make this short and sweet!  
I DO NOT SUPPORT THE PROPOSED GATING OF BEL AIR GLEN!

A am in full agreement with the reasons and the letters already submitted to you.

David Wilzig's letter is a particularly excellent summation of the situation. I am hopeful that they have been read with impartiality and an informed decision will be made.

As a resident of these beautiful hills (7 years in Bel Air Glen, 35 years in Benedict Hills, 9 years in Bel Air Ridge), I have been witness to the obvious problem of increasing traffic in this area.

Gating the Bel Air Glen streets will not only add to our traffic congestion, but it will decrease the safety of all the area's residents.

It is a no-brainer!!!

Please, do the right thing - read the opposition letters and consider the dire consequences of the proposed gating of Bel Air Glen.

I remain hopeful,
