Hi Travis,

Happy Holidays! I hope you are well.

I am writing to you to express my **strong support** for the Bel Air Glen Homeowners Association's application to vacate and gate Nicada Dr., Angelo Dr., and Woodwardia Dr. within the Bel Air Glen HOA community. I really don't understand the reason for the push-back on this project. It will make our community safer, more desirable and we can reduce the risk of an accident. I am writing to you to let my voice be heard.

I live in the Bel Air Glen HOA community on [2797 Woodwardia](#) and have three children that play on the streets. I am scared for their safety today because of the number of cars racing through the neighborhood, especially during rush hour. I was playing catch with my son at the intersection of Woodwardia and Summer Holly Circle the other day and it was frustrating because cars were flying by, running the stop signs, etc. I also walk my dog in the neighborhood and have personally had a few altercations with these aggressive drivers. Our community is filled with families with young children

and this "shortcut" for commuters is becoming a serious problem. Please help us keep the community and neighborhood safe!

PS - I am interested to learn more about the Bel Air-Beverly Crest neighborhood council and would to know how I can be involved and help support in the future.

Best,
Derek
