I am writing to you to express my support for the Bel Air Glen Homeowners Association's application to vacate and gate Nicada Dr., Angelo Dr., and Woodwardia Dr. within the Bel Air Glen HOA community.

I live in the Bel Air Glen HOA community. Virtually every weekday during rush hours, parts of my neighborhood are confronted with heavy traffic congestion caused by commuters using our streets to try to circumvent northbound traffic backing up at the top of Beverly Glen and Mulholland. Not only is this a nuisance, but these commuters occasionally race through our neighborhood, run stop signs, and take turns without looking or slowing down, which presents a potential danger to my family and neighbors.

In addition to the unwanted street congestion, the rising crime rate and follow home robberies we have witnessed recently are a serious concern to me. Packages being ripped off our door steps and cars being vandalized or stolen is becoming commonplace. By gating our community we can provide a layer of security and protection that is much in need.

For these reasons, I support the Bel Air Glen street vacation and gating project.

Sincerely,

James Maddox
