Travis Longcore, President - Bel Air Beverly Crest Neighborhood  
council

To Whom It May Concern:

I am writing to you to express my **strong support** for the Bel Air Glen Homeowners Association's application to vacate and gate Nicada Dr., Angelo Dr., and Woodwardia Dr. within the Bel Air Glen HOA community.

I live in the Bel Air Glen HOA community. Every weekday afternoon and evening for several hours, my neighborhood is bombarded with dangerous and congested traffic caused by commuters using our streets to try to shorten their drive at the expense of the health and safety of me, my family, friends, and neighbors. Each weekday during rush hour, I consistently cannot back from my driveway for long periods of time unless I force my way between angry drivers and risk them rear-ending me. Traffic is backed in front of my home with non residents sitting and waiting. My privacy and security are being unnecessarily exposed.

I also find that, if I'm coming home from work or need to leave my house for any reason, it takes much longer to go a mere few blocks. These commuters aggressively, take the opportunity to speed up our streets, run stop signs, take turns without looking or slowing down, and even swerve around other drivers into oncoming lanes. They are rushing to go back to Beverly Glen. Anxious drivers show no regard for pedestrians, children, pets, or others that find themselves in, or about to cross, the streets during this time. I have witnessed close calls and fear for the safety of my family and neighbors. These drivers have no business using our local neighborhood streets for this purpose, and I feel that gating our community is the only way to solve this problem.

For these reasons, I SUPPORT the Bel Air Glen street vacation and gating project.

Sincerely,

Harriette Craig-Neghabat & Reza Neghabat      Homeowners
