I have spoken with many of the Bel Air Ridge neighbors, and I have found nobody in our neighborhood to be in favor.

I have lived in this neighborhood east of Beverly Glen over 40 years.

Bel Air Glen is simply looking to increase property value with a gate, because, if it were solely for traffic, they would try speed bumps and “no turn signs” or even cameras.

I use Angelo many times during the day as it is the path to leave and reenter my home.

During traffic waiting for a gate to open on Angelo will be a nightmare for everyone.

On a regular basis everyone east of Beverly Glen in Bel Air Ridge will need to access two gates every trip in and out of our homes which will be a tremendous inconvenience and aggravation.

There is zero benefit and 100% hindrance to adding gates in the Bel Air Glen community.

I am adamantly opposed.
