Subject: RE: BABCNC Banners Renewal Motion

Hey Robin,

Per our discussion. In August we would need to move a portion of your banners. So to keep the program going beyond that point we would need the following funds approved.

\$900 for banner relocation.

\$97.50 (plus tax) to replace one damaged hardware

\$250 for permit processing cost. I was supposed to charge this in February when re-rewed for 2024/2025 but I never ran the amount.

Total - \$1256.76 including tax amount.

I would need approvals and payment by the first week of July as that is when I would have to start scheduling the removal.

Thanks,

JEREMY TAGUE
