

CREATING FIRE-PREPARED COMMUNITIES

Don't get caught off-guard – fire season is here!

The BABCNC invites you to learn what we can all do to make our homes and our properties more wildfire-ready. Scientific research has new information to assist us and our communities in being more prepared.

JOIN A PRESENTATION BY TREEPEOPLE ABOUT THE
LATEST MODELS ON RESTORATION, PREVENTION AND
COMMUNITY RESPONSIBILITY

WEDNESDAY, JULY 14th AT 5:00 PM

Join at tiny.cc/BABCNCTownHall
or by phoning (669) 900-6844 or (888) 475-4499
and entering webinar ID 844 9352 3432

Kevin Gaston, Deputy Director, TreePeople Land Trust
&

Beth Burnam, Board of Directors, TreePeople; Co-President and Founding Member,
North Topanga Canyon Fire Safe Council
Q&A Session will follow the presentation

The presenters will discuss how to:

- Harden your homes
- Create proper defensible space around your home
- Plant native species which will slow oncoming flames
- Develop community engagement
